Students, we are creating a virtual library of videos that demonstrate school procedures, policies, and positive behaviors. We need your help to create some awesome videos! The videos will be used for new students moving into the district and also for all students at the beginning of the year.

So get your friends together or go solo, but we are looking for the most informative and creative videos so we can add yours to the virtual library. See your email for more information. Videos are due by the end of the day on May 22nd. Winners will be announced at the end of the year award ceremony on the last day of school!

For any 7th and 8th grade students who have borrowed books from Mrs. Sipes' classroom library this year, she would like all books returned by next week at the latest. Thank you!
