The Kokomo Area Career Center is offering two Career & Tech Ed camps this summer for students in grades 6-8.

June 10-14 is a Woodworking and Metals camp for GIRLS ONLY. This camp introduces non-traditional careers to our young women at an earlier age.

June 17-21 is an Exploration Camp for all students grades 6-8. Students will have hands-on experiences in 10 different Career & Tech Ed "classes".

Both camps will run from 8:00AM-12:00 PM Monday-Friday. Cost is $10. Students will need to register at the Career Center and pay the camp fee at that time. We have a maximum of 40 students. First-come, first-served registration.

For anyone who missed ordering a yearbook…we have 30 extra yearbooks. They are $20 each and can be purchased from Mrs. Isaac in the office.

Students, we are creating a virtual library of videos that demonstrate school procedures, policies, and positive behaviors. We need your help to create some awesome videos! The videos will be used for new students moving into the district and also for all students at the beginning of the year.

So get your friends together or go solo, but we are looking for the most informative and creative videos so we can add yours to the virtual library. See your email for more information. Videos are due by the end of the day on May 22nd. Winners will be announced at the end of the year award ceremony on the last day of school!

Immunity bracelet money can be turned in this week during lunch. You will get your bracelets on the day of the tournament.

Make sure all library books are turned in to Mrs. Clouse. They may be placed on her desk.

For any 7th and 8th grade students who have borrowed books from Mrs. Sipes' classroom library this year, she would like all books returned by next week at the latest. Thank you!

Girls track team members are reminded to get their track jerseys returned asap!

Call out meeting for girls xc has changed to next Monday at 2:30 in the commons.
The Western boys soccer team played like a well oiled machine last night against long time rival Eastbrook! Lucas Pitzer started the game when he found the net off of a cross from Mitchell Betz two minutes into the first half. Lucas then returned the favor putting the ball in front of Seth Baker for the panther’s second goal. Continuing the streak, Bridgely Seekri crossed the ball to Parker Cox and Miles Bowley crossed to Lucas for the third and fourth goals to end out the first half. Coming into the second half, Seth put one in early after Lucas served him up from a free kick. Maverick Swisher picked up the sixth and seventh goals, one on a rebound from the opponents head and one off a corner from Lucas. Pitzer closed out the game with the eighth goal, earning him a hat trick, on a 1 v 1 with the goalkeeper. Panthers final score was 8-2. Cody Krietz had 2 saves. Well Done Boys!

Any 8th grade boy interested in playing soccer for the Fall Season please contact Mike Roe at mjroe@me.com. Summer workouts begin June 10th. If you are interested, there is more information in the office.

Any MS student interested in attending tennis camp, please pick up a form in the middle school office. The camp will be held from June 10-14, from 2:00-3:30.

Return all sports camp forms to Mrs. Quinn in the middle school office.

Sports physicals need to be turned into Mrs Quinn in the office and not the coach. Everything must be filled out, signed & dated, by the doctor, parent, & student! I do check when you turn them in! It’s not complete unless it’s ALL filled out!

Free High School Sports Physicals for student athletes 6th-11th grades in the Western School Corporation. Physicals for the 2019-2020 school year will be held June 5 from 6-8 at Western High School. Physical forms are available in the athletic office, middle school office, high school office, and online at www.ihsaa.org/schools/forms.

Free Sports Physicals, for Russiaville American Health Network patients, will be held on Tuesday, May 21, from 4-8. No appointment is needed. You must be a patient of Dr Nuss or Dr Hoshaw or one of their nurse practitioners.

Western window stickers are available for $5, in the athletic office.

Buses 45 and 63 are full on the high school/middle school route. Therefore, Mrs. Quinn will not be allowed to write bus notes for extra riders for these two buses until further notice.

Don’t forget to bring your pop tabs and drop them off in Mr. Cooper’s room. These benefit Riley Hospital.

Today’s positive message: There is no such thing as failure, only learning experiences.

Happy birthday Kaylie Hardoin and Andrew Ryan!
