The Kokomo Area Career Center is offering two Career & Tech Ed camps this summer for students in grades 6-8.

**June 10-14 is a Woodworking and Metals camp for GIRLS ONLY.** This camp introduces non-traditional careers to our young women at an earlier age.

**June 17-21 is an Exploration Camp for all students grades 6-8.** Students will have hands-on experiences in 10 different Career & Tech Ed “classes”.

Both camps will run from 8:00AM-12:00 PM Monday-Friday. Cost is $10. Students will need to register at the Career Center and pay the camp fee at that time. We have a maximum of 40 students. First-come, first-served registration.

For anyone who missed ordering a yearbook…we have 8 extra yearbooks. They are $20 each and can be purchased from Mrs. Isaac in the office.

Students, we are creating a virtual library of videos that demonstrate school procedures, policies, and positive behaviors. We need your help to create some awesome videos! The videos will be used for new students moving into the district and also for all students at the beginning of the year.

So get your friends together or go solo, but we are looking for the most informative and creative videos so we can add yours to the virtual library. See your email for more information. Videos are due by the end of the day on May 22nd. Winners will be announced at the end of the year award ceremony on the last day of school!
Immunity bracelet money can be turned in this week during lunch. You will get your bracelets on the day of the tournament.

Make sure all library books are turned in to Mrs. Clouse. They may be placed on her desk.

For any 7th and 8th grade students who have borrowed books from Mrs. Sipes' classroom library this year, she would like all books returned as soon as possible. Thank you!

Girls track team members are reminded to get their track jerseys returned asap!

Once again, the Carroll County Boys MS Soccer Team came out fighting at last nights game at Western, but, once again, the mighty Panthers rose to the occasion. In the first half, Carroll scored the first goal, but Lucas Pitzer put one in front of Seth Baker for panther goal. Greyson Neer netted the second goal on a PK and Bridgely Seekri turned around and scored on a cross from Neer. Greyson put the fourth and final goal in on a cross from Seth, and western wins the game 4-2. Cody Kretz was a busy boy with 8 saves in the game.

In the second game, Bridgely Seekri was a machine putting in 2 goals on his own, one of which was a header. Amari Sutton then received a cross from Liam Bumgarden for the final goal of that game ending in a 3-1 win for the Panthers. Brody Judeka earned one save in that game. Well Done Boys!

Any 8th grade boy interested in playing soccer for the Fall Season please contact Mike Roe at mjroe@me.com. Summer workouts begin June 10th. If you are interested, there is more information in the office.
