The Kokomo Area Career Center is offering two Career & Tech Ed camps this summer for students in grades 6-8.

**June 10-14 is a Woodworking and Metals camp for GIRLS ONLY.** This camp introduces non-traditional careers to our young women at an earlier age.

**June 17-21 is an Exploration Camp for all students grades 6-8.** Students will have hands-on experiences in 10 different Career & Tech Ed “classes”.

Both camps will run from 8:00AM-12:00 PM Monday-Friday. Cost is $10. Students will need to register at the Career Center and pay the camp fee at that time. We have a maximum of 40 students. First-come, first-served registration.

For anyone who missed ordering a yearbook…we have 8 extra yearbooks. They are $20 each and can be purchased from Mrs. Isaac in the office.

Students, we are creating a virtual library of videos that demonstrate school procedures, policies, and positive behaviors. We need your help to create some awesome videos! The videos will be used for new students moving into the district and also for all students at the beginning of the year.

So get your friends together or go solo, but we are looking for the most informative and creative videos so we can add yours to the virtual library. See your email for more information. Videos are due by the end of the day on May 22nd. Winners will be announced at the end of the year award ceremony on the last day of school!

Immunity bracelet money can be turned in this week during lunch. You will get your bracelets on the day of the tournament.
Make sure all library books are turned in to Mrs. Clouse. They may be placed on her desk.

For any 7th and 8th grade students who have borrowed books from Mrs. Sipes’ classroom library this year, she would like all books returned as soon as possible. Thank you!

The Western Boys MS Soccer team officially brought their season to a close tonight with their game with the Eastern Comets. Lucas Pitzer kicked off the game with a lone drive down the pitch and scored on a 1v1 with the keeper. In the second half, Bridgely Seekri placed a perfect ball right in front of the goal for Seth Baker to finish putting the Panthers up 2-0. Cole Turner scored a third goal on a cross from Evan Kallio to secure the 3-0 shutout for Western. Brody Judika had a really boring night since our defensive line did such a good job, so he wasn't able to earn any saves. Great Season with a great group! Well Done Boys!!!

Any 6th or 7th grade football player that didn’t make the callout last week must signup in Mr. Bright’s room this week to play football next fall. Any player interested in football camp or power camp over the summer can now pick up forms in Mr. Bright’s room as well.

The Panthers host Mississinewa tomorrow at 5 PM on the varsity field to finish off the season.
