Anyone interested in Social Studies Academic Super Bowl needs to come down to Mr. Cooper’s room very briefly so he can get an idea of who wants to participate.

Our WMS library is challenging students to Resolve to Read in 2020. Let’s look at this week’s Author in Focus, Holly Black.

Holly Black is the author of the popular Spiderwick Chronicles, as well as the stand-alone titles, Doll Bones and The Coldest Girl in Coldtown. Growing up she lived in a decrepit Victorian house and she married her high school sweetheart. She now lives in New England with her family and their house has a secret library! Here’s a quote from Holly:

“It is my belief that books are living things...And as living things, they need to be protected.” -- Holly Black

Sports physicals need to be turned into Mrs Quinn in the office and not the coach. Everything must be filled out, signed & dated, by the doctor, parent, & student! I do check when you turn them in! It’s not complete unless it’s ALL filled out!

Don’t forget to bring your pop tabs and drop them off in Mr. Cooper’s room. These benefit Riley Hospital.
