Middle School Sports:

The softball team ended their season Wednesday night. The white team defeated Peru 10-2. Leading the team in hitting tonight was Brynley Erb, Jocelyn Jeffers, Lucy George and Skye Harsh. The white team finished the season with a record of 18-0.

The black team finished their season on Tuesday defeating Eastern 12-1. Shaylee Walker and Emma Lees led the way in hitting. The black team finished the season with a record of 13-4.

The Panther baseball team battled the elements last night as they “stormed” back from a 6-run deficit in the final inning, beating Mississinewa 12-11 to wrap up their season. The Panthers put up 3 runs in the 1st inning thanks to a 2-run opposite field home run from Charlie Brewer. The Indians quickly retook the lead and pinned the Panthers down 11-5 after 4 innings. In the top of the 5th, the Panthers rallied back in dramatic fashion to score 7 runs, lead by Cal Berryman’s 2-run single to tie the game and Ryan Rodman’s clutch base hit to score the go-ahead run. That was 1 of 3 base hits from Rodman, who was a homerun shy of the cycle. Levi Shoemaker made quick work of the Indians in the bottom of the inning, and the game was called shortly after due to severe rain. The victory was the Panther’s 10th win of the season, as the finish with a record of 10-1-1.

Middle school cheer tryouts will be today, May 26th.

There will be a football callout meeting today, May 26th for current 6th and 7th grade boys interested in playing middle school football next school year. The meeting is for players and parents, and will be held in the high school main gym at 6:30 PM. See Mr. Bright in the Liberty hallway if you have questions.

We have sports physicals for the 2021-22 school year outside of the middle school office.

You **must** have a physical on file to even try out. Physical packets are available outside of the office or can be printed from the Middle School Web Page.

Sports physicals need to be turned into Mr. Zahn in the office and not the coach. Everything must be filled out, signed & dated, by the doctor, parent, & student! I do check when you turn them in! It's not complete unless it's ALL filled out!

Today's positive message: "The next choice is the most important choice." (George Wells)
