Wear your AC Robertson shirt tomorrow, January 10. There will be a picture taken in the auditorium that afternoon to send to AC to show your support.

Our WMS library is challenging students to Resolve to Read in 2020. You will hear more about this in the days to come but for now let's look at this week's Author in Focus, James Patterson.

James Patterson is the best selling author of the popular series, I Funny and Middle school: The worst Years of My Life and many others!

His first attempt at publishing a book was denied 31 times by different publishers! He never gave up and now is a world renown author and advocate for youth literacy. A fun fact about him is that he only writes in pencil! He doesn't even use a computer! Come down to the library and check out one of his best sellers!

You're lucky if you find something you like to do, and it's a miracle if somebody will pay you to do it.

You must have a physical on file to even try out for a sport. Physical packets are available in the office.
Sports physicals need to be turned into Mrs Quinn in the office and not the coach. Everything must be filled out, signed & dated, by the doctor, parent, & student! I do check when you turn them in! It’s not complete unless it’s ALL filled out!

Don’t forget to bring your pop tabs and drop them off in Mr. Cooper’ s room. These benefit Riley Hospital.

Today’s positive message: “The difference between ordinary and extraordinary is that little extra.” (Jimmy Johnson)
