MISSION STATEMENT

To Educate and Inspire – Today’s Students for Tomorrow’s Opportunities

PANTHER PRINCIPLES

1. Treat others as you wish to be treated no matter how they treat you.
2. Control what you can control.
3. Respect the educational environment.

WELCOME

The faculty, staff, and administration welcome you to Western Middle School. Our goal is to provide you with a quality education, as well as assisting you in becoming as complete an individual as you can be.

We have an excellent school facility that will give each of you a positive place in which to study and learn. We have many learning materials and equipment that will give you, as a student, many advantages in the learning process. While materials and equipment are important, the most important link in the learning chain is YOU, the student. You must apply the building and its equipment, as well as the teaching staff, to your best advantage to learn as much as you possibly can.

The handbook has been prepared to assist students in orienting themselves to Western Middle School and contains information concerning school activities, rules, and general knowledge about the school. Please read all the material carefully. **YOU ARE RESPONSIBLE FOR KNOWING THE INFORMATION CONTAINED IN THIS HANDBOOK.** If you have a question, ask the principal or a teacher for help in interpreting the information contained in the handbook.

The faculty and staff of WMS wish each of you a successful school year. We encourage you to become involved in as many activities as possible. In addition, we challenge you to apply yourself to make the most of the ability you have. Good luck, and may this be the best school year of your education so far!

ATTENDANCE

ATTENDANCE PHILOSOPHY:

A good attendance record is important not only to the student but to the school as well. Frequent absences of students from regular classroom learning experiences disrupt the continuity of the instructional process. The benefit of regular classroom instruction is lost and cannot be entirely regained, even by extra instruction. Students who miss school frequently experience great difficulty in achieving the maximum benefits of schooling. These students, in many circumstances, are able to achieve only mediocre success in their academic program. Students with poor attendance records often lose interest in school and are commonly potential drop-outs. Evidence indicates that grades and attendance are directly related. The entire process of education requires a regular continuity of instruction, classroom participation, learning experience, and study in order to reach the goal of maximum educational benefits for each individual student.

The following attendance policy has been developed to promote regular school attendance. School attendance is the mutual responsibility of the individual student and parent. The school cannot teach students who are not present. Extenuating circumstances will need to be communicated to the administration in cases where deviation from this policy may be needed.

PROCEDURE TO FOLLOW WHEN ABSENT:

Parents are requested to call the school (883-5566 ext.3000) between 7:00-9:00 a.m. on the day the student is absent. However, a voicemail system can be used at any time and messages may be left 24 hours a day; Please state the student's first and last name, grade level, and the reason for the absence. This MUST be done whether the student is absent one period or the entire day. All non-call-ins will be counted as an unexcused absence. In instances when a parent does not have a phone available, prior arrangements can be made for a note to be accepted upon the student's return. All notes should be presented to the attendance secretary immediately upon return to school. Any notes from a physician must be submitted within 2 school days of a student’s return to school from an illness in order to be considered an excused absence.

Note: At Western Middle School a student must be in attendance no later than 9:00 a.m. in order to participate in practice, games, matches, or events on that particular day. The principal may grant exceptions for special circumstances.

ATTENDANCE POLICY:

A student can only be absent 6 days in a semester. NOTE TO PARENT & STUDENT: EACH ABSENCE, WHETHER EXCUSED OR UNEXCUSED, COUNTS TOWARD THE SIX (6) DAY LIMIT.

A. Excused Absences (All missed work may be made up for full credit):
   1. Illness with a parent phone call. Phone calls should be made between 7:00 – 10:00 a.m. on the day of the absence.
2. Death in the immediate family.
3. Medical and dental appointments provided that there is a statement from attending doctor or dentist. Students are expected to attend school when possible, before and after medical appointments. Failure to do so will result in being counted absent for the periods missed.
4. Court appointment (Required court appearance).
5. Required religious observance.
6. Absences related to deployment or return for Military Connected Families
7. Approved Educational day

B. Unexcused Absences:
All other absences are considered unexcused and will receive no credit for work missed and work will not be allowed to be made up for credit. NOTE TO PARENTS & STUDENTS: Pre-Arranged Family Trips are considered unexcused absences and only major assignments, quizzes, and/or tests (as determined by the teacher) may be made up for credit. Excessive unexcused absences will be dealt with according to the state’s compulsory attendance law.

DISCIPLINARY PROCEDURES FOR EXCESSIVE ABSENTEEISM:

1. A letter outlining the attendance policy and the number of days their student has missed will be sent to parents/guardians on the student’s whose attendance is concerning. ALL absences after the 6th day MUST be documented by a licensed Indiana medical professional or approval by the school administration for extreme emergencies or will be considered an Unexcused Absence.
2. Unexcused Absence #5 – will result in a meeting with the student and the teacher or school administration. Student will be placed on an attendance contract. Notification will be sent home outlining the process and potential referral to DCS and/or Prosecutor’s Office. An appropriate course of action will be determined.
3. Unexcused Absence #6 - will result in the student being placed on an attendance contract and school disciplinary action (one Saturday School).
4. Unexcused Absence #7 – will result in a conference with the student, additional attendance contract, communication with parents and an additional assignment of Saturday School.
5. Unexcused Absence #8 - will result in a conference with the student, communication with parents and an additional assignment of Saturday School.
6. Unexcused Absence #9 - will result in a meeting to be held between the parent/guardian, the student, and a member of the administrative team to determine an appropriate course of action. The student will be declared ineligible for extra-curricular activities, including athletics, until this meeting occurs. Appropriate course(s) of action may include:
   - An extension of allowable absences based on extenuating circumstances, or
   - Further disciplinary measures up to recommendation for expulsion
7. Unexcused Absence #10 – will result in Classification as a Habitual Truant under IC 20-33-2-11 and recommendation for expulsion, referral affidavit sent to Prosecutor’s office and DCS notification.

● Those students who are at or over the allowable 6-day limit on absences may not be allowed to miss school for field trips (or similar type of trips).
C. Make Up Policy:
Arrangements for making up missed assignments shall be made by the student with each teacher. Teachers will communicate their timetable for making up missed assignments in their class syllabus/expectations. The designated time limit is one day for each day’s absence to a maximum of five days. Credit will be given for all work made up with the following exceptions: Out of School Suspensions (see suspension policy under Disciplinary Guidelines) and Unexcused Absences. For Pre-Arranged Family Trips, only major assignments and not daily work may be made up for credit.

D. Early Dismissal Pass:
Students who must leave during the school day because of medical appointments should make arrangements with the Attendance Secretary prior to 7:30 a.m. Parents are required to sign the student out before leaving and sign in upon returning to school. Students who are absent from school because of a medical appointment must bring verification of that appointment and time leaving the doctor's office upon return to school.

Parents should attempt to schedule doctor and dental appointments so that the student will not miss school. If a partial day absence from school is necessary, the student must bring a parent note to the Attendance Secretary immediately upon arrival at school. You will then be issued an absence form. Students leaving during the day for a special event, such as a religious event, funeral, etc., must have this pre-arranged before the beginning of school. Students will not be allowed to go home during the school day to take medication. Medication that a student normally takes for headaches, colds, or other minor medical problems should be given to the school nurse for such emergency situations. If a student needs medication and none has been provided, a parent or guardian may be called to bring medication to school if deemed necessary.

E. Homework for Students Who Are Absent:
Homework may be requested from the Student Services Office on the 2nd day of student absence. This request needs to be made before 8:00 a.m. Homework would then be ready after 2:00 p.m. that day. Homework requests received after 8:00 a.m. will not be ready until 9:00 a.m. the following day. Students are encouraged to monitor eBackpack and online communication for information regarding assignments, tests, quizzes, and grades.

F. Truancy:
A student is truant if he is absent from school without parental knowledge and approval, leaves school without permission from the administration or nurse, comes to school but does not attend a class or classes, remains in the restroom or other location for an extended period of time, or is excessively late to a class. A student who is truant is ineligible for any extracurricular event/practice on day of truancy (or next day if student is determined to have been truant).

Disciplinary Action For Period or Partial Period Truancies:
First Offense: One after school detention
Second Offense: Saturday School or 1 day ACS
Subsequent Offenses: Subject to Disciplinary Action as detailed for Full Day Truancy

Disciplinary Action For Full Day Truancies (3 or more periods in a single day):
First Offense: Saturday School
Second Offense: Two days ACS
Third Offense: Three days out of school suspension

WMS 10

G. Late Arrivals:
Any student arriving to school after 7:35 will be considered a Late Arrival. This student must sign in and receive a pass to be admitted to class. These Late Arrivals are based on a per semester basis. The first two Late Arrivals to school are verbal warnings. Arriving to 1st period class after 7:30, but before 7:35 is considered a class tardy and disciplined according to the tardy policy.

**Disciplinary Action:**

- **3rd Late Arrival:** One lunch detention
- **4th Late Arrival:** One after school detention
- **5th Late Arrival:** Two after school detentions
- **6th Late Arrival:** Saturday School
- **7th Late Arrival:** One day ACS
- **Subsequent Late Arrivals:** Two days ACS for each late arrival

H. Class Tardies:
A tardy is defined as being late to a class during the school day after the bell has rung for the class to begin. Any student who arrives to class after the first ten minutes will receive a tardy and an absence unless the absence is an excused absence.

**Disciplinary Action:**

- **5th Tardy:** One after school detention
- **6th Tardy:** Two after school detentions
- **7th Tardy:** Saturday School
- **8th Tardy:** One day ACS
- **9th Tardy:** Two days ACS
- **Subsequent Tardies:** Additional days of ACS

I. E-Learning:
E-learning provides students and teachers the opportunity to continue the educational process. On e-learning days, an attendance form will be sent to the student via email. Students are required to complete the form to be counted present. Exceptions will be made for students without wifi access and their attendance will be based on work submitted the next school day. Attendance on e-learning days will count toward a student’s number of absences. Students are required to complete and turn in all work given on E-learning days the next school day.

J. Attendance Awards
Students who attend every class, every school day, are considered to have perfect attendance for the grading period. Students who miss any portion of the school day (doctor’s appointments, tardiness, illness, etc.) do not have perfect attendance.
GENERAL INFORMATION

ANNUAL ASBESTOS NOTIFICATION FOR PARENTS AND EMPLOYEES
The Asbestos Hazard Emergency Response Act of 1986 (AHERA) required the inspection of all buildings in the school district for asbestos. The District has complied with this act. A management plan documenting these inspections is on file for public review. Upon request you may view the plan, which is located at the assistant superintendent’s office, as well as at each principal’s office in all buildings. Western School Corporation annually notifies all parents, teachers, and other employees by posting this notice. The asbestos identified in our management plan will be checked every 6-months by our trained staff to scrutinize any changes in the material, which could cause a health hazard. Additionally, in compliance with EPA guidelines, Western School Corporation will have an asbestos inspection every three years by a licensed asbestos company. Any questions regarding our district’s Asbestos Management Plan should be directed to our Assistant Superintendent’s Office at 765-883-1455.

AUDITORIUM USE AND ASSEMBLIES
School assembly sessions will be held at various times throughout the school year. Students are expected to display proper behavior and follow rules when in attendance. There is to be no gum, food or drinks in the auditorium. Feet should remain on the floor and not on the seats.

BACKGROUND CHECK PROCESS FOR PARENTS/VOLUNTEERS/LAY COACHES
Effective July 15th, 2019, the background check process for Parents/Volunteers/Lay Coaches will be on a tiered basis as follows:

LEVEL 3 Volunteer/Visitor: This includes guests who are just visiting the school offices only to pick up/drop off students or to drop items off. Formal background checks are NOT required.

LEVEL 2 Volunteer/Visitor: This includes volunteer/visitors to our schools during the school day who are under supervision of Western School Corporation staff. Examples: Visiting for lunch, attending a special event (i.e. Awards Program.) All individuals wishing to volunteer at Western School Corporation under Level 2, will be required to have a limited criminal background check by submitting Form 8120 F1 for approval. This approval is good for 1 school year at no charge to the parent/volunteer.

LEVEL 1 Volunteer/Visitor: This includes volunteer/visitors that can possibly have direct and unsupervised interaction with a student (i.e. classroom volunteers, field trips, classroom parties, band/sports parents, and any volunteer/lay coach). For a level 1 volunteer/visitor, an extended background check will be run for any individual under this category. This will require a $15.90 fee, paid by the volunteer/visitor via our outside vendor. The fees for lay coaches will be paid by the Western School Corporation Athletics upon receipt. The background check will be valid for 3 school years from the date of completion. If the volunteer/visitor/lay coach has lived outside the county/state of Indiana, there will be an additional charge associated with the
request. A link to complete this process can be found on the school website.

In the event an offense shows up on an individual’s background check, Western School Corporation will utilize the following criteria as a guideline as to whether or not an individual can volunteer at Western School Corporation.

➢ Drugs (dealing): **Lifetime restriction; May not volunteer at Western School Corporation**

➢ Convicted Sex Offender: **Lifetime restriction; May not volunteer at Western School Corporation**

➢ Felony or pending charges for a Felony with the exception of the two above offenses (dealing drugs or convicted sex offender): **May not volunteer if the offense is within the last 10 years**

➢ Misdemeanor Charges including but not limited to:
  o Crime against another person (example: battery)
  o Drug/Alcohol (consuming or possession of)
  o Theft or Conversion

**May not volunteer if within the past 5 years**

*If an individual has multiple offenses on their record, dependent on the severity of the offenses, they may not be able to volunteer/visit/coach at Western School Corporation. If we are aware that there are pending charges or the individual has been convicted, the individual will be unable to volunteer/visit/coach at Western School Corporation.

**BUS PROCEDURES**

**SCHOOL STARTS WHEN THE STUDENT IS WAITING FOR THE BUS IN THE MORNING AND DOES NOT END UNTIL THE STUDENT GETS OFF THE BUS AND LEAVES THE BUS STOP.**

1. **BUS ASSIGNMENTS** - Students are assigned to buses by the school, and they must ride the bus to which they are assigned. Any transfer to another bus must be arranged by having a parent contact the transportation office to request a change.

2. **BUS CONDUCT** - School bus drivers have supervisory control of all children transported between the homes of the children and the school. All school disciplinary rules apply while students are on the bus and at bus stop. In addition, bus drivers are to oversee that all student passengers observe the student conduct regulations.
   a. Students may be assigned seats by the driver and are not permitted to change seats without permission from the driver.
   b. Students are to remain seated, facing forward at all times.
   c. Loud, boisterous or vulgar language shall not be tolerated.
   d. No window or door shall be opened or closed except by permission of the bus driver/bus monitor.

WMS 13
e. No student shall enter or leave the bus until it has come to a full stop.

f. Students are not allowed to scuffle, trip or fight or use their hands and feet in any other objectionable manner.

g. Be on time. The driver is not expected to wait.

h. The bus will only make stops at corporation designated drop off and pick up points.

i. Videotaping will be conducted on all buses to monitor student behavior and driver performance. Viewing requests will only be made by the Transportation Director and school administration and will be viewed only as permitted by State and Federal laws.

k. Any student who causes damage to bus property will be disciplined and required to pay the cost of damages and may earn a bus suspension.

3. BUS PASSES-In order for a student to request to ride home on a different bus, they must have a note from a parent or a phone call before 10:00 a.m. The note must be turned into the attendance office in the morning. Requests may not be granted, however, if the bus is full. A student will NOT be permitted to ride a bus other than their own without a bus pass from the office. Bus passes are handed out to students during their lunch.

4. School administration may suspend or deny the privilege of riding on the school bus to any student who refuses to conduct himself/herself in an acceptable manner on the bus.

5. After students arrive at the school building, they are to proceed into the building and not loiter anywhere outside the building.

BUILDING HOURS
The normal school day will begin with first period class at 7:30 a.m. and will end with dismissal at 2:30 p.m. The school building will be open to students by 7:20 a.m. and will be officially closed to students at 3:00 p.m. Students will not be permitted in the building before 7:20 a.m. or after 3:00 p.m. unless under the direct supervision of a Middle School staff member.

CARE OF THE BUILDING
Students have a responsibility to assist in maintaining a clean, well-kept building. All refuse should be placed in the waste or recycling containers located throughout the building. Our students should take pride in the facilities and should treat school property as they would treat their own property. No food or drinks, with the exception of clear bottled water, is permitted in the classrooms.

COMPUTER /INTERNET USE POLICY (see acceptable use policy on page 21-23)
Students are encouraged to use the Corporation’s computers/network and Internet connection for educational purposes. Use of such resources is a privilege, not a right. Students must conduct themselves in a responsible, efficient, ethical, and legal manner. Unauthorized or inappropriate use, including any violation of these guidelines, may result in cancellation of the privilege, disciplinary action consistent with the Student handbook, and/or civil or criminal liability.

DANCES
School sponsored dances are held several times a year and are a privilege to attend. School IDs will be required to attend all school dances (after IDs have been distributed in the school year). Students without a school ID will be turned away at the door. Students must be passing all courses during the nine weeks prior to the scheduled dance he or she is attending. Any student who serves ACS or OSS during the previous nine week grading period will not be allowed to attend. Any student who is not picked up in a timely manner (15 minutes),
will not be allowed to attend the next scheduled dance.

**DROP OFF/PICK-UP**
Student drop-off and pick-up is to be at the back of the building by the gymnasium doors (Door 28S) before 7:30 a.m. and after 2:30 p.m. Students entering the building after the 7:30 bell will be marked tardy to school. **There should be NO parent drop off/pick-up in front of the Middle School.**

**DRUG TESTING**
Students in the middle school who participate in cheerleading or athletics may be drug tested in accordance with the Western School Corporation Drug Testing Policy. Consent forms signed by both the student and parent/guardian must be on file in the office before a student can participate in cheerleading or athletics. See the athletic policies regarding consequences for a positive drug test result. Parents of any student may request for their student to be administered a drug test for a minimal fee.

**DOGS**
The Board authorizes the use of specially-trained dogs to detect the presence of drugs and explosive devices on school property. The dogs may be allowed to examine school property such as lockers and student possessions. Any search of a student’s person will be based upon individualized reasonable suspicion in addition to any information resulting from the dog’s examination.

**ENROLLMENT OF NEW STUDENTS**
Students are expected to enroll in the attendance corporation in which they have legal settlement. Students that are new to WMS are required to enroll with a parent or legal guardian. When enrolling, the parent will need to bring: A birth certificate of the student; Court papers allocating parental rights or custody if applicable; Proof of residency (utility bill, rental agreement, or mortgage papers) along with a photo ID; Proof of immunizations of the student; Transcript from the previous school attended by the student. Non-residents should refer to the “Transfer Students” section of the handbook for eligibility requirements for enrollment.

**FIELD TRIP POLICY**
The school organizes educational field trips to enhance the instructional program. In order for a student to be included in a field trip, behavior, attendance, completed assignments, and the ability to follow school rules will be taken into consideration. Therefore, the classroom teacher(s) and building principal will make the final decision on who may attend a field trip. Any student not attending the field trip may be given alternate assignments to complete. A field trip fee may be assessed to cover any costs incurred.

**FUNDRAISERS**
Fundraisers that are not school related need office permission before any selling of goods may occur.

**INSURANCE**
Student insurance is available at a nominal cost and is optional. When a student is injured under this plan, he/she may pick up a claim form from the office. This form must be completed by his parents and presented to the doctor or hospital. The school merely acts as a service in supplying the insurance, and assumes no liability, either for the injury or the subsequent negotiations with the insurance company.

**LIBRARY**
The library provides reference and resource materials for school assignments and for general and recreational reading. The librarian is present to help locate and select materials, so please ask for assistance when it is needed. When students borrow materials, they also accept the responsibility for returning them when due, so
that they may be shared by others. Replacement cost will be charged if a book is lost or damaged beyond repair. Library privileges may be revoked as deemed necessary if a student’s behavior so warrants.

The middle school library has an on-line catalog system, Destiny. Destiny may be accessed by going to http://corp.western.k12.in.us/. Once you are at Western's home page, please select the Middle School and choose the option "for student". Simply scroll down to the "Library Online" which will take you directly to the online catalog. Students may login using their student ID number. They will have access to their personal Library account, research using Web-Path Express, or simply search for a new book.

**LOCKERS**
A locker will be assigned to each student at the beginning of the year. It is the responsibility of the student to keep his locker neat, clean, and in good working order. The school is not responsible for lost or stolen items, and students are advised to avoid storing valuable items in the locker. Every hallway locker has a built-in lock. Your child’s teacher has the locker number and the combination. Students are not allowed to share lockers or locker combinations. Locker privileges may be revoked by administration as deemed necessary if a student’s behavior so warrants.

**Lockers in Physical Education Dressing Room** - Individually assigned lockers with combination locks will be provided.

**Locker Inspection Policy** - All lockers at Western Middle School are the property of the school and are subject to inspection by authorized school personnel according to IC 20-33-8-32 and IC 20-33-8-4, with or without student consent. Anything that is found in the course of a search that may be evidence of a violation of WMS rules or the law may be taken and held or turned over to the police. The school reserves the right not to return items which have been confiscated.

**LOST AND FOUND**
A "Lost and Found" service is maintained in the hallway adjacent to the lunch room. Students are urged to accept the responsibility for their school clothing, equipment, and supplies. It is advised that students not bring large sums of money or articles of great value to school. Lost articles may be claimed upon identification by their owners. Any items remaining in lost and found are donated to a charity at the end of each semester.

**NONDISCRIMINATION POLICY**
It is the policy of the Western School Corporation to provide an equal opportunity for all students to learn through curriculum offered in this Corporation regardless of race, color, creed, disability, religion, sex, ancestry, national origin, place of residence within the boundaries of the Corporation, or social or economic background. If any person believes that the Western School Corporation or any of the Corporation's staff has inadequately applied the principles and/or regulations of (1) Title VI of the Civil Rights Act of 1964, (2) Title IX of the Education Amendment Act of 1972, and/or (3) Section 504 of the Rehabilitation Act of 1973, he or she may bring forward a complaint to the Corporation's Civil Rights Coordinator, Randy McCracken, Western School Corporation, 2600 South 600 West, Russiaville, IN 46979.

**PESTICIDE APPLICATION NOTICE**

If you wish to be given notice of such pesticide applications, please notify the Assistant Superintendent at (765) 883-1455. You will be given a form to fill out and will be notified of any pesticide application with at least 48-hour advance notice. In case of emergency, pesticides will be applied and
communication will be sent to those who had contacted the school requesting notification.

- The student receives ACS or OSS as a consequence for behavior.
- Six or more unexcused absences during the semester.
- Any student who is not picked up in a timely manner from a school dance will not be allowed to attend the next scheduled dance.

STUDENT PICTURES
School pictures for student purchase will be handled on a pre-pay basis. Students may select from several different priced packages, and the full amount must be paid the day pictures are taken. The photographer guarantees satisfaction, and all money will be refunded if not completely satisfied with the pictures. Pictures are generally scheduled to be taken in September. Retakes are taken early November. Definite dates will be published on school website and in the announcement. Spring pictures are also made available.

TELEPHONE
School telephones in the offices, classrooms, and the library are for school business. Students may ask a teacher to use a phone in a necessary situation.

STUDENT PLACEMENT & SCHEDULING
WMS offers four levels of classroom instruction for Core classes in Math, Science, Language Arts, and Social Studies. (Exception: 8th grade only has two levels) Students are placed at these levels based on ability, teacher input, ISTEP scores, NWEA data, previous grades, and previous class performance. Teachers may move students to a different level when it becomes apparent that such a move is in the student’s best interests.
Failure to maintain an average of 75% or higher in any core class may result in a contact with parents/guardians and a change to the next lower course level with Principal and Parent approval.
Student class schedules are based upon the student’s needs and available class space. Any questions or concerns about the class schedules should be directed to the guidance counselor.

Qualification for Enrollment in High School Courses:
As a student completes 7th grade, he/she can apply for enrollment in High School Courses to be added to his/her 8th grade schedule. These courses would be taken during the first three periods of the grade 8 school day and would be in place of certain grade 8 Encore classes. The following criteria must be met for the student’s 7th grade year-beginning 8th grade year to be eligible for enrollment in High School Courses:
- 80% or higher for Semester 1 and Semester 2 in all grade 7 core classes.
- The following scores must be met or exceeded on the Grade 8 Fall NWEA tests: Reading % Language Arts (225) and Math (240).

Western School Corporation does not accept teacher requests by parents or students. However, a parent may request to NOT have a teacher based upon legitimate stated reasons. These reasons could include but are not limited to prior negative experience, working relationships, and personal situations or issues. Any such requests must be presented in writing to the principal by July 1. There is no guarantee such requests will be honored as factors such as teacher availability, course/class availability, and course/class enrollment will be primary factors in making the final determination.

Placement in the most advanced level will depend on the student’s continued demonstration that he/she can be successful in this educational setting through grades and/or work ethic. The Indiana Department of Education defines a student with high abilities as one who:

- Performs at, or shows the potential for performing at, an outstanding level of accomplishment in at least one domain when compared to other students of the same age, experience, or environment; and:
- Is characterized by exceptional gifts, talents, motivation, or interests (IC 20-36-1-3).

With this in mind students in the advanced level classes are expected to consistently demonstrate their potential through their performance in the following areas: Homework, Projects, Quizzes, and Tests. **Failure to maintain an 80% or higher in any advanced core class may result in a contact with parents/guardians and a change to the next lower course level with Principal and Parent approval.**
SUCCESS TIME
Success Time is a period in the school day for students in grades 6-8. It is called Success Time because every child is being taught at his/her instructional level in terms of academic need. Based on testing or classroom formative assessments based on pretest and posttest data aligned to grade level standards, students are grouped for 35 minutes a day to have re-teaching, skill development, and enrichment. If a student performs well on the assessment of the concept being taught, that student participates in an enrichment activity which presents a higher level of academic rigor.

Students that do not master the concepts being taught are given extra support through small group instruction in the form of re-teaching. The Success Time is a great way to differentiate our instruction so that no child, including those that can be challenged, is left behind.

To prepare for Success Time, our teachers meet regularly to assess groups and plan for the instruction at the different levels. Our special education, staff, classroom teachers, and administration support the Success Time model because it offers opportunities for students to engage in authentic and tailored learning at their level. Students do not miss any core curricular instruction during Success Time because it is scheduled as an additional time block. It is embedded in the day of every child, and is our way of supporting the learners that are struggling, and challenging the learners that are up for it. Because we use assessments to determine which students need the extra support or enrichment, students are able to move between groups. There are chances for all students to receive extra help if needed or enrichment if they master the concept.

Students remain in their assigned hallway and grade level for Success Time unless requested to report to another room.

EXCEL CLASS
This is an enrichment or lab lesson to improve and grow student learning outcomes (Criteria based-NWEA. Math English- teacher directed/ assigned)
This Class will focus on the critical standards at or below grade level that need to be mastered or obtained for success in school. Some students will remain in the Excel class for a year or a 9 weeks depending on their progress towards the standards.

SLT- STUDENT GUIDED/CENTERED LEARNING TIME
This is a 45 minute period within the day that is designated for students to gain access to core teachers, complete missing test or quizzes, and complete work. Students have opportunity to seek out or ask questions of teachers. Time is also to be used to complete assignments during the school day. During SLT time students may not go to Encore classes for completion of work unless all Core class materials are up to date. During SLT time students have responsibilities to carry out, examples are below.

Students To-Dos During SLT:
  ● Complete work
HOMEWORK PROCEDURE
Western Middle School has a school-wide process of checking in with students randomly or when a concern arises, reminding them of missing work or incomplete work that needs to be turned in. Students may receive consequences for missing assignments. Teachers will notify you by phone if your student served a consequence and how many assignments they were missing. Some ways that you may help or assist your students are listed below:
· Regularly log-into Skyward and review missing assignments on the student grade book.
· Check in on the family access for weekly lesson plans
· Review student's-backpack or Big ideas Math for un-submitted online work.
· Communicate with teachers via email or by phone.

HOMEWORK
When students are absent at least two days from school need to make-up assignments, they or a parent may pick up materials with proper notification in the office. Teacher lesson plans are also available on Skyward or eBackpack for access from home. Some individual work sheets will be available from the classroom teacher when the student returns to school. Parents will need to contact their individual team of teachers to obtain proper procedures. See pages 4-5, excused and unexcused absences for make-up policies.

RETENTION POLICY
The building principal, as the Superintendent's designee, is responsible for establishing guidelines for procedures in retaining middle school students. The principal will consult with teachers and parents and will review previous achievement and standardized test results before making a decision as to whether a student will be retained, assigned, or promoted. The following criteria will be used to make the determination:
   a) Students who have the ability to master grade level skills but whose performance is well below grade level should be considered for retention.
   b) Students not meeting ISTEP+ minimum requirements or Western’s expected achievement standards shall be retained or remediated.
   c) Students who seem to be working at approximately their ability level should be assigned to the next grade.
   d) Students who have been absent from school for a significant number of days may be retained if such absences have had a substantial impact on the academic achievement of the student.
For students who are potential retainees, the teacher will confer with parents near the end of the first semester. The teacher will provide parents with data to support the concern, including information on work habits, examples of work, grades on daily assignments, quizzes, and tests. The teacher will let parents know that
retention is a possibility if work does not improve substantially. A record of these conferences will be given to the principal. For any student who is to be recommended for retention, the teacher will schedule a conference no later than the first week of the final grading period to include classroom teachers and both parents if possible. The principal may be invited to participate. The final decision on each student’s placement is the responsibility of the building principal.

HEALTH AND FOOD SERVICE

FOOD SERVICE

GENERAL CAFÉ INFORMATION & CHARGING POLICY
The Western School Corporation Food Service Department utilizes a computerized point-of-sale system, Café Enterprise. Upon enrollment, all students are given a café account and 4-digit PIN number. Money deposited into this account can be used for the purchase of breakfast, lunch, milk and a la carte items.

PAYMENT OPTIONS
The Food Service Department strongly recommends that money is pre-paid into an account prior to the point of-sale. Depositing cash or checks during the breakfast or lunch service interrupts the flow of the line and reduces the total time students have to eat. The following payment options are available:

a. Major credit card online at www.myschoolbucks.com
   i. NO service fee to make payments, check available balance or monitor purchases
   ii. Easy to enroll, convenient & secure

b. Check
   i. Check must be made payable to the corresponding school.
   ii. Must have student’s name & 4-digit PIN number in memo.
   iii. If more than one student is on a single check, the check must specify how much money is to be deposited into each account.

iv. If a check is returned due to non-sufficient funds (NSF), we will attempt to collect all money owed. In the event it cannot be collected, a third-party collection agency will be utilized.

c. Cash
   i. Primary & Intermediate students must turn payment in to teacher in a sealed envelope, clearly marked with name & 4-digit PIN number.

   ii. Middle & High school students must turn payment in to cafeteria in a sealed envelope, clearly marked with name & 4-digit PIN number.

ACCOUNT BALANCE INFORMATION
Western School Corporation expects parents to be responsible for monitoring their student’s café account and maintaining a positive balance. Free and reduced-price meal assistance is available to all households at any time throughout the school year. Paper meal applications can be obtained from the Director of Food

WMS 22
Service or any school office secretary. Online meal applications can be accessed at www.pantherfood.com. Contact the Director of Food Service at 765-883-1462 with any questions related to free and reduced-price meals.

**Students will no longer be given written negative account balance notices.**
The Food Service Department utilizes the Skylert system to notify parents of low and negative account balances. Any student with a lunch account balance below $5.00 will receive an automated phone call Tuesday through Friday.

In addition, account balance information may be obtained in the following ways:
- www.myschoolbucks.com
- Contact the food service manager at the student’s school:
  - Primary Cafeteria-Ele King: 883-1441
  - Intermediate Cafeteria-Christy Frazier: 883-1442
  - Middle School Cafeteria-Leanna Tate: 883-1443
  - High School Cafeteria- Kim Deardorff: 883-1444

This institution is an equal opportunity provider.

**CHARGING GUIDELINES**

Western School Corporation wants to ensure that all students have access to nutritious meals daily. However, we are not allowed, per USDA regulations, to incur bad debt from unpaid meal charges. For this reason, we cannot allow large debt to accumulate on students’ café accounts. The National School Lunch Program (NSLP) requires school food authorities to establish written administrative guidelines and procedures for meal charges.

We realize that there may be extenuating circumstances that prevent a student from having money on their account from time to time. In the event a student does not have money on account or in hand to pay for a meal, we will adhere to the following guidelines:

- A student may charge up to **five (5) lunch meals** maximum (one charge per meal).
- A student may **not charge** a breakfast meal or purchase "a la carte" items, including extra main entrees, sides, beverages or snacks.
- As previously stated, the Food Service Department utilizes the Skylert system to notify parents of low and negative account balances Tuesday through Friday. Students are also verbally notified of their account balances as they come through the lunch line. The food service manager or other school personnel will coordinate additional communication with the parent(s)/guardian(s) to resolve the matter of unpaid meal charges.
- If, after 5 lunch meals have been charged and a payment has still not been received, schools will provide a courtesy meal (turkey & cheese or PB&J with milk) until the negative balance is paid off and the account is brought to a positive balance.
- If the account is still not paid after three weeks, the Corporation will take action to collect all balances owed by means of collection agencies, small claims court, or any other legal method deemed necessary by the Corporation. Please note that any of these collection methods may incur additional charges to you.
- If food service staff suspects that a student may be abusing this policy, written notice will be provided to the parent(s)/guardian(s) that if he/she continues to abuse this policy, the privilege of charging meals and/or receiving courtesy meals will be refused.
- If a student repeatedly comes to school with no lunch and no money, food service staff will report this to the building principal, as this may be a sign of abuse or neglect and the account will be subject to a referral made to the Department of Child Services of Howard County.
● A Western staff member may charge up to $10.00, as long as they establish and maintain a good credit history of making payments on their food service account. The balance owed must be paid in full by the end of the school year.

**GUESTS**
All guests are expected to pay for their meal at the time of purchase. Charging is not allowed.

**EXCESS FUNDS/END OF YEAR BALANCES**
Any funds remaining in a student’s café account at the end of the school year will be carried over into the next school year. In the event that a student leaves the school district, any café account that has $5.00 or more remaining on it is entitled to a refund. A verbal or written refund request must be submitted to the Food Service Office within 30 days after the date the student leaves the district in order for any balance to be refunded. Contact the Food Service Office directly by calling 765-883-1462 or emailing eklingle@western.k12.in.us. At the end of each school year, positive account balances of graduating students will automatically be transferred to sibling accounts, as applicable, or automatically refunded if $5.00 or more remains on the account. There is no need to contact the Food Service Office regarding graduating student account balances. Unclaimed remaining balances will be transferred to the 3490/Unclaimed Balance account within our Café Enterprise system.
HEALTH SERVICES

The school nurse is available on a full-time call basis to help with routine student medical concerns and emergency situations until the parents/guardians or emergency medical personnel can be contacted. Students seen in the clinic or office will be asked to describe their symptoms. Their temperature will be taken and if no fever, vomiting, and/or other apparent symptoms of illness or injury exist, students will be returned to class. Students with a temperature of 100 degrees or higher and/or symptoms of acute illness or injury will be sent home after the school contacts the parent. Students sent home by the nurse are not to return to school and/or extra-curricular activities that day without permission from administration. Students are NOT to call parents to take them home without permission from a school authority. If a student chooses to call home to request to be picked up without nurse approval, it may be considered an unexcused absence. If a student has a fever of 100 degrees Fahrenheit or greater, and/or vomits the student will be sent home from school, or the student should be kept home from school if prior to school hours. Students may return to school after 24 hours have passed with a normal temperature without the use of fever reducing medications, and/or no vomiting. The 24 hour policy is based off of the CDC (Center for Disease Control) recommendations and guidelines for schools. Parents must call in illnesses to office personnel, or a written note should be sent with student when returning to school.

All students must have an emergency medical form completed, signed by a parent or guardian, and filed in the WMS office. Students with specific health care needs should submit those needs, in writing and with proper documentation by a physician, to the WMS office.

8TH GRADE VISION SCREENING

All 8th grade students are required by Indiana Law to have a vision screening done by a school nurse. Referral forms are mailed home for any student not passing the eye exam. Referral forms must be filled out and returned to the school nurse.

IMMUNIZATION REQUIREMENTS

No student shall be permitted to attend school for more than twenty (20) days beyond the date of enrollment without either:

1. Current immunization statement on file with the school, or
2. Written confirmation statement provided to the school

*6th grade students are required to have updated immunizations prior to the start of school. These requirements are: Tdap (Tetanus, Diphtheria, Pertussis) and MCV4 (Meningococcal), and Hepatitis A.

MEDICATION ADMINISTRATION POLICY

The purpose of administering medication in school is to help each student maintain an optimal state of health to enhance the educational program. Parents/guardians should determine with their physician’s counsel whether a medication schedule can be adjusted to avoid administering medication during school hours. Herbal or natural medications and vitamins will be refused. The intent of the following guidelines is to reduce the number of medications given at school, and assume safe, effective administration of medications for those students who require them. In those circumstances where a student must take prescribed medication during the school day, the following guidelines are to be observed:

Medication

- Before medication can be given at school, a parent/guardian must first fill out a Medication Authorization
Form (**Forms are available at the school office, nurse clinic, or the Western School Corporation home page under the “info” tab).  
- Medication must be in original containers and age appropriate. All prescriptions must be labeled with student’s name, physician’s name, prescription dosage and frequency, special handling and storage directions. **At no time shall medication be administered in a dosage that exceeds that listed on prescription label or original container.** Any changes in dosage must be documented by a physician’s order. Parents/guardians should request pharmacist to fill 2 bottles: one for home and one for school.  
- Medication may be brought to school directly by the parent/guardian or transported by transportation personal (bus driver and/or bus aide) at parental request. This should be arranged in advance. Medication **MAY NOT** be sent to school in the student’s lunch box, pocket, or other means on or about his/her person. An exception to this would be prescriptions for emergency medications by students whose physician has filled out a permission to carry form.  
- Medication WILL be refused if sent in anything other than the original bottle.  
- Medication that is possessed by a school for administration during school hours or at school functions may be released to the student’s parent/guardian or to an individual who is eighteen (18) years of age or older who has been designated, in writing, by the students parent/guardian to receive the medication.  
- Any unused medication unclaimed by the parent will be destroyed by the administrative personnel when a prescription is no longer to be administered or at the end of the school year.  
- Students can carry non-medicated cough drops that do not have regulations from the FDA, such as Luden’s brand.  

**PEDICULOSIS (HEAD LICE) POLICY**  
If a student in the Corporation is found to have head lice, the student’s parents will be contacted to have the child treated and to pick him/her up immediately. After treatment and upon returning to school, the student will be examined by the school nurse or designee, which may include the principal. The Corporation practices a policy of “no live lice” as the criterion for returning to school. The parent will be provided a notification letter (Form 8451A F2) and a treatment form that provides guidance and educational material concerning the epidemiology, treatment and follow-up procedures for the infestation (Form 8451A F1). When the parent picks up the student, the parent will be informed that the student needs to be treated before he/she returns and the parent will need to complete Form 8451A F3 before the student is readmitted. The student will be permitted to return to school after it is confirmed that the child is free of any live lice. Parents should routinely check for lice. Students should refrain from sharing combs, brushes, hats, etc. to reduce transmission.
STUDENT CONDUCT, BEHAVIOR, AND DISCIPLINE

PHILOSOPHY AND GOALS OF STUDENT DISCIPLINE

The rules and procedures of Western Middle School are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights will be protected and that they will be treated with fairness and respect. Likewise, students are expected to respect the rights of their fellow students and the staff. Students are expected to follow staff member’s directions and obey all school rules.

Parents have the right to know how their child is succeeding in school and will be provided information on a regular basis and as needed when concerns arise. Parents are encouraged to check email daily to ensure they read discipline notices that are sent via Skyward. It is also the responsibility of the student to deliver that information. If necessary, the U.S. Mail or hand delivery by the student may be used to ensure contact. Parents are encouraged to establish constructive communication channels with their child’s teachers and support staff and to inform the staff of suggestions or concerns that may help their child better accomplish his or her educational goals. Students are expected to arrive at school prepared to learn. It is the student’s responsibility to arrive on time and be prepared to participate in the educational process.

All Corporation employees shall report any incidence of suspected criminal gang activity to the principal and the school safety specialist. As well, students and parents, who choose to do so, may report an incident of criminal gang activity to the principal. The principal and the school safety specialist may take appropriate action to maintain a safe and secure school environment, including providing appropriate intervention services.

A Corporation employee who in good faith reports an incident of suspected criminal gang activity in compliance with the procedures of this policy and any Corporation employee, parent, or student who in good faith participates in any judicial or other proceeding resulting from the report or relating to the subject matter of the report is immune from any civil or criminal liability for damages arising from his/her actions.

Each school principal or designee shall conduct a thorough and complete investigation of each report of suspected criminal gang activity and each report of reprisal or retaliation. The principal or designee shall initiate the investigation promptly but no later than 2 instructional day(s) of the report of the alleged incident. The principal may appoint additional staff and the principal or designee may request the assistance of law enforcement to assist in the investigation for the safety of the administration, Corporation staff, or students. The investigation shall be completed and written findings prepared by the principal or designee as soon as possible but no later than 5 instructional days from the date of the report of the alleged incident.

The principal or designee shall submit the report to the Superintendent within 10 instructional days of completing the investigation. The Superintendent shall report the results of each investigation to the Board on an annual basis during its scheduled Board meetings.

The Superintendent is authorized to issue guidelines to define the range of ways in which Corporation staff and the principal or designee shall respond once an incident of criminal gang activity is confirmed, according to the parameters described in the Corporation’s code of student conduct. The Board recognizes that some acts of criminal gang activity may be isolated incidents requiring that the school officials respond appropriately to the individuals committing the acts while other acts may be so serious or involve individuals outside the school that they require a response by local law enforcement officials.

Appropriate consequences and remedial action will be imposed when students are found to have engaged in criminal gang activity, criminal gang intimidation, or criminal gang recruitment on Corporation property, while riding on Corporation buses or buses used to transport Corporation students, and at school-sponsored events or when they are found to have engaged in retaliatory conduct towards a Corporation employee or student who reported an incident of criminal gang activity, according to the severity of the offense and considering both the developmental age of the student offender and the student’s history of inappropriate behavior, per the code of student conduct. Consequences and appropriate remedial action for a student who engages in criminal gang activity may range from positive behavioral interventions up to and including suspension or expulsion. Incidents that result in the expulsion of a student(s) or alternative school placement of a student(s) will be referred to the local law enforcement officials for further investigation. The principal shall proceed in accordance with the code of student conduct, as appropriate, based on the investigation findings and the Superintendent’s guidelines. As appropriate, the principal may provide intervention and/or relevant support services (i.e., refer to counseling, establish training programs to reduce criminal gang activity and enhance school climate, enlist parent cooperation and involvement or take other appropriate action). The principal shall inform the parents of all students involved in alleged incidents as provided below, and, as appropriate, may discuss the availability of counseling and other intervention services.

The principal shall provide the parents of the students who are parties to any investigation with information about the investigation, in accordance with Federal and State laws and regulations. This information includes the nature of the investigation, whether the Corporation found evidence of criminal gang activity, and whether consequences were imposed or services provided to address the activity. This information is to be provided immediately upon completion of the investigation and issuance of written findings by the principal or designee.
**SECLUSION/RESTRAINT**
As a part of the emergency procedures in place in our schools, no student will be restrained and/or placed in seclusion by school staff unless the student's behavior poses an imminent risk of injury to him/herself or others. However, significant violations of the law including assaults on students and staff will be reported to the police. As soon as possible after any such use of restraint and/or seclusion, the parent or guardian will be informed when any of these actions have occurred and will be provided with a detailed account of the incident including the circumstance that led to the use of the restraint and or seclusion.

For more information, the Seclusion/Restraint policy can be found online at: [www.western.k12.in.us](http://www.western.k12.in.us)

**CELLULAR PHONES AND HEADPHONES**
These items create a huge disruption to the learning environment and are not to be out at any time during class or in the lunchroom, unless specifically permitted by the teacher. **If a student is caught using an electronic device during class time and refuses to give it to the teacher, the student will automatically receive ACS.** Furthermore, unsolicited pictures or videos of other students or school personnel are not permitted and will be subject to disciplinary action, for example, recording a fight. Taking pictures or video in a restroom or locker room is strictly prohibited and disciplinary action will be taken.

Headphones (including airpods and earbuds) are not to be worn in the cafeteria or hallways at any time. Headphones may only be used when given permission by a specific teacher during class.

**Consequences for cell phones/headphones**
1st and 2nd offense – Contraband will be confiscated and given to the front office to be held until the end of the school day. 3rd and subsequent offenses will result in disciplinary action in addition to the confiscation. (Phone/headphones may be held for parent pick-up.)

**Important Notice to Students and Parents Regarding Cell Phone Content and Display**

- Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

- The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.

- It is “child exploitation,” a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” as defined by I.C. 35-42-4-4(a), by a child under the age of 18.

**Continued: Important Notice to Students and Parents Regarding Cell Phone Content and Display**
• It is “child pornography,” a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.

• The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

HARASSMENT
It is a violation of law and of school rules for any student to harass or intimidate another student or staff member. If a student is the victim of any unwanted sexual actions or comments or of derogatory statements or actions concerning his/her gender, religion, race, ethnic group, or disability, the student should report such behavior to the office. All reports shall be kept confidential and shall be investigated as soon as possible. Anonymous reporting of incidents can also be made on Western’s Safe Schools Tip Line by calling 883-5576, extension 8477 (TIPS).
DISCIPLINARY GUIDELINES

The severity of discipline increases as the student repeats the same infraction. However, when the severity of the violation (even though the first) warrants, the penalty will be much more severe. The disciplinary actions outlined in this section are only a guide and should not be construed to be absolute.

SCHOOL-WIDE DISCIPLINE PLAN

The team and/or teacher are the front line authority in the scope of discipline. Students and teachers should try to handle problems first through their team or classroom rules. However, severe or repeated violations will result in referral to the administration.

DISCIPLINARY OPTIONS

Misconduct involving school policies may result in any one or combination of the following: counseling, verbal reprimand, extra work assignments, suspension from extracurricular activities, class suspension, lunch detention, After School Detention (ASD), community service, loss of privileges (including iPad functions), Alternative Classroom Setting (ACS), Saturday School, Out-of-School Suspension (OSS), expulsion, police citation or arrest.

Teacher- Consequences can be assigned by individual teachers according to their policies/classroom management plans for minor behavioral issues.

Class Time Out - This option is provided to teachers as a means for handling minor classroom discipline problems. Teachers can suspend a student to the office for a maximum of one period at a time.

Lunch Detention- Detention is assigned for minor behavioral infractions to be served during the student’s regularly scheduled lunch time. Failure to arrive to the office on time will result in an additional detention. Failure to attend without a prearranged excuse will result in After School Detention.

After School Detention – After school detention is assigned to students for a variety of rule violations. This alternative to suspension will serve as a cooperative effort between the school and the parent to not infringe on the student's education, yet provide a disciplinary action to modify the inappropriate behavior. After School Detention is from 2:30 p.m. until 3:30 p.m. as assigned to the individual student. All school rules apply. Students are expected to work on the required assignments on their own and not distract or bother others. Students are responsible to arrange their own transportation home. The elementary bus route is NOT available for students to ride at 3:30 p.m. Failure to attend After School Detention without prior arrangements will result in one-day in the Alternative Classroom Setting room.

Detention Room Rules:
  1. No electronic media or communication devices or sleeping allowed.
  2. No conversations (oral, written, or visual) between students.
  3. No disruptive noises or actions.
  4. Students are to arrive on time with study materials and stay busy for the duration of detention.

WMS 32
Alternative Classroom Setting - Students are placed in the Alternative Classroom Setting and given assignments that are to be completed during the suspension time. Students may also participate in community service while in ACS. While not in class, suspended students’ daily class assignments, tests and major projects will receive full credit. Any multiple day assignment or project given on the day/days in question may receive credit if completed on the original due date or immediately upon the student’s return. Next day assignments given by the teacher on the day of ACS will be made available to the student on the day of ACS in order to be turned in on time. Assignments due on the day the student is serving ACS must be turned in to the office when the student reports to ACS. **Failure to attend OR removal from ACS will result in Saturday School or OSS.**

Saturday School Option - Saturday school is an alternative form of discipline for minor infractions that traditionally would result in removal from all classes for a day or more.

**Rules:**
1. Saturday School for grades 6-12 begins at 8:00 a.m. and will last until 12:00 noon (four hours).
2. Students are to report to the Administration Building by entering Door #8 on the west side of the building before their scheduled time. The doors will be opened at 7:55 a.m. and 9:55 a.m. If a student arrives five (5) minutes late, the time will be doubled and he/she will have to make up the time after the dismissal. If a student arrives six (6) to fifteen (15) minutes late, he/she will have to serve that Saturday, plus an additional Saturday. If a student arrives more than fifteen (15) minutes late, the student will be considered absent and will be assigned a suspension unless it is verified excused absence.
3. Students are to bring their assignment sheet from their teachers. Students are responsible to bring enough homework to keep busy the entire time. Homework, extra credit work, and reading (library books) are acceptable items on which to work. No MAGAZINES, GAMES, OR ELECTRONIC DEVICES (exception: assigned work on the iPad) are allowed. **Cell Phones will be collected at the beginning of Saturday School and returned at the end.** Work will be assigned by your teachers.
4. There will be no talking, except if the student needs to ask the supervisor in charge a question.
5. Students are to stay in an assigned seat. If students need to leave their seat, they are to raise their hand and ask permission.
6. There will be a five minute restroom break at 9:55 a.m. There is no eating or drinking.
7. Students cannot leave the building during Saturday School time.
8. Students are to have NO visitors in the building during their assigned time.
9. Sleeping or giving the appearance of sleeping will not be tolerated in Saturday School.
10. In the event bad weather causes cancellation of school on a Friday prior to Saturday School, Saturday School will be postponed to another day.
11. Students will not be allowed to use the telephone or go to lockers.
12. Excused absences from Saturday school include: illness, death in the family, or severe illness in the family. A parent’s phone call must be made to the principal the first day the student returns to school if the Saturday school absence is to be excused and reassigned.
13. All regular school rules are in effect. The Saturday School supervisor is in charge and any refusal to comply with instructions will result in a dismissal from Saturday school.
14. It should be clearly understood that a student could face immediate out-of-school suspension for up to ten (10) days if he/she is in violation of any of the above rules and/or the following:
   a) failure to attend or arriving over fifteen (15) minutes late
   b) misconduct
   c) failure to complete assignments
   d) dismissal from Saturday School

WMS 33
Suspension And Expulsion - When a student is suspended for ten (10) days or fewer, from either school or a school activity or a class, the student shall be given oral or written notice of the charges against him. If he denies the charges, he shall be given an explanation of the evidence against him, and he shall be given an opportunity to present his side of the story. It is anticipated that these procedures shall take place during an informal discussion immediately after the alleged misconduct occurs. However, when the continued presence of the student poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process, the student may immediately be removed from school, and the conference anticipated above shall then be conducted as soon as reasonable.

In all cases of suspension, expulsion or exclusion, the procedure required by applicable state and federal laws shall be followed. **Students are not allowed to attend any school function sponsored by Western School Corporation during the time they are suspended or expelled. The student is required to complete all assignments and school work assigned during the period of the student's suspension for ½ credit. Work is due no later than when the student returns. Students may make up tests/quizzes upon return for full credit. Tests/quizzes must be turned in or taken on the day when the student returns.**

Our school corporation works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with people in the school community. Bullying is prohibited by Western School Corporation.

**BULLYING**

According to IC 20-33-8-0.2, “Bullying” means overt, unwanted, repeated acts or gestures, include verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student and create for the targeted student an objectively hostile school environment that:

1. Places the targeted student in reasonable fear of harm to the targeted student’s person or property;
2. Has a substantially detrimental effect on the targeted student’s physical or mental health;
3. Has the effect of substantially interfering with the targeted student’s academic performance; or
4. Has the effect of substantially interfering with the targeted student’s ability to participate in or benefit from the services, activities, and privileges provided by the school.

The term may not be interpreted to impose any burden or sanction on, or include in the definition of the term, the following:

Bullying can occur anywhere (in-school or outside of school) and at any time; both during and after school hours. Bullying can include physical bullying, verbal bullying, social/relational bullying, and electronic/written communication.

- Physical bullying involves hurting a person’s body or possessions. It includes hitting/kicking/punching, spitting, tripping or pushing, taking or breaking someone’s things, and making mean or rude hand gestures.
- Verbal bullying involves saying mean things. It can include teasing, name-calling, inappropriate sexual comments, taunting, or threatening to cause harm.

spreading rumors about someone, or embarrassing someone in public.

- Electronic/written communication involves cyber-bullying, collective or group note writing, any bullying undertaken through the use of electronic devices (computer, cell phones)

Parents or students who suspect repeated acts of bullying are taking place should report the matter to the school principal or designee. School personnel will investigate all reports of bullying. Parents of both the targeted student and the bully will be contacted by school personnel within 2-3 school days from when the report was provided to administration. If determined that reporting the bullying incident to law enforcement is necessary, this will be done simultaneously with the contacting of parents.

Anonymous reporting of bullying can be made to Western Safe School Tip Line by calling: (765)883-5576 or (765)883-5541 and dial extension 8477 (TIPS). Online bullying forms are available on the Western webpage. Students may also anonymously report bullying through an online form available on their iPads.

Appropriate staff members will meet with the children involved to learn about the bullying that has been taking place. They will then develop a plan to keep students safe and make teachers aware in order for them to be watchful of any future bullying. Counseling, corrective discipline, and/or referral to law enforcement will be used to attempt to change the behavior of the perpetrator. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation.

Consequences for bullying and false reporting of bullying will be handled on a case-by-case basis. Discipline could include a behavior contract, lunch detention, after-school detention, alternative classroom setting, out-of-school suspension, loss of social privileges, recommendation for expulsion, and/or referral to law enforcement.

The discipline rules may be applied regardless of the physical location in which the bullying behavior occurred, whenever:
The individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending a school within a school corporation; and
Disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a safe and peaceful learning environment.

Bullying is also prohibited through the use of electronic communication devices or any other interactive or digital technology such as cell phones, computers, iPads, or the Internet. It includes, but is not limited to: email, instant messaging, text messages, and internet postings, whether on a webpage, blog, or otherwise.

All complaints of bullying will be investigated promptly in accordance with the following procedure:

**Step 1.** Any complaints, allegations or rumors of bullying may be presented to the building principal or assistant principal or to the Superintendent. Students also may report their concerns to teachers or counselors, who will be responsible for notifying the appropriate administrator or Board official on the same day that the teacher or counselor receives the complaint or, if the teacher or counselor receives the complaint after the end of the instructional day, no later than the next instructional day. This report may be made anonymously. Complaints against the building principal shall be filed with the Superintendent. Complaints against the Superintendent shall be filed with the Board President. Complaints submitted anonymously also shall be investigated. All such information will be reduced to writing and will include the specific nature of the offense, corresponding dates, location of the offense, the identity of the reported bully, and the identity of any witnesses. If the person filing the complaint is an adult, s/he must sign the charge affirming its veracity. If the person filing the complaint is a minor, s/he may either sign the charge or affirm its veracity before two (2) administrators. If a student refuses to
complete the written complaint form or sign a complaint, the staff member taking the complaint will complete the written complaint using the information the student has provided verbally.

**Step II.** The administrator/Board official receiving the complaint shall promptly investigate. Parents of the targeted student and the reported bully will be notified of the nature of any complaint involving their child within one (1) instructional day of the administrator's or Board official's receipt of the complaint. The administrator/Board official will arrange such meetings as may be necessary with the targeted student and reported bully within two (2) instructional days after receipt of the complaint. The targeted student and reported bully will have an opportunity to submit evidence and a list of witnesses, if not already included in the complaint, at those meetings. The entire investigation, including interviews of the targeted student, the reported bully, and all witnesses, shall be completed within five (5) instructional days after receipt of the information or complaint. All findings related to the complaint will be reduced to writing, including any discipline to be imposed or other remedial action to be taken. The written findings must be reduced to writing within seven (7) instructional days after receipt of the complaint.

Consequences for the bully may range from positive behavioral interventions to expulsion. Consequences will depend on the severity of the offense and consider the developmental ages of the targeted student and the bully, the bully’s disciplinary history, and any other relevant factors. Remedial action may include but is not limited to counseling for the targeted student and/or the bully, training of the bully and/or school staff, assignment of a contact person who will provide support to the targeted student, academic assistance or support for the targeted student such as tutoring, an opportunity to retake tests, or additional time to complete classwork, the development of a behavioral intervention plan for the bully, and a change of placement, as appropriate for the targeted student and/or the bully. No change of placement will be imposed on the targeted student unless that remedy has been requested by the targeted student. The development of a behavioral intervention plan and any consideration of a change of placement for a student who has been identified as a student with a disability protected by Section 504 of the Rehabilitation Act of 1973 (Section 504) or the Individuals with Disabilities Education Act (IDEA) will be made by the student’s Section 504 or IEP Team, respectively. In all cases where counseling is deemed appropriate for the targeted student to remediate past harassment, arrangements will be made with an appropriately qualified provider of such services to provide the counseling.

The administrator/Board official conducting the investigation shall notify the complainant, targeted student, reported bully, and the parents of the targeted student and reported bully in writing of a summary of the investigation findings upon conclusion of the investigation and, if the investigator finds that bullying has occurred, an explanation of what remedial action will be taken, including the decision to impose discipline on the bully. When permitted by law, the disciplinary action taken against a student found to have engaged in bullying will be reported to the parents of the targeted student. The written summary of the investigation must be provided to the complainant, targeted student, reported bully and the parents of the targeted student and reported bully on the same day that the written findings are reduced to writing if possible but no later than the next instructional day.

A copy of the written notification, including notes detailing the date and circumstances of notification, together with any other documentation related to the incident, including the written findings, any disciplinary action, and any other remedial action taken or recommended, shall be forwarded to the Superintendent or to the School Board, if the investigator is a Board official.

**Step III.** If the complainant is not satisfied with the decision at Step II, s/he may submit a written appeal to the
Superintendent or designee. Such appeal must be filed within five (5) instructional days after receipt of the Step II decision. The Superintendent or designee will arrange such meetings with the complainant and other affected parties as deemed necessary to review and discuss the appeal. The Superintendent or designee shall provide a written decision to the complainant’s appeal within five (5) instructional days after receipt of the appeal. Step III is inapplicable in cases where the investigator is a Board official. In such cases, the complainant may proceed directly to Step IV to appeal the decision.

**Step IV.** If the complainant is not satisfied with the decision at Step III, a written appeal may be filed with the Board. Such appeal must be filed within five (5) instructional days after receipt of the Step III decision or within five (5) instructional days after receipt of the Board official's decision when Step III is inapplicable. The Board shall, within twenty (20) instructional days, conduct a hearing at which time the complainant shall be given an opportunity to present the complaint. The Board shall provide a written decision to the complainant within ten (10) instructional days following completion of the hearing.

**SMOKING AND / OR POSSESSION OF TOBACCO**

Possessing, using, or transmitting cigarettes, electronic, vapor or other forms of tobacco products such as chewing tobacco in the school building or on the grounds while school is in session or before or after school hours or at a school event.

**NOTE**: Indiana Criminal Law and Procedures 35-46-1-10.5 indicates that a person under 18 years of age who purchases or accepts tobacco for personal use commits a class C infraction. Students violating this law will receive a citation in addition to any school discipline. Tobacco is considered a gateway drug. Any student
suspended for tobacco may be requested to submit to a drug screen prior to returning to school.

**Disciplinary Action:**
1. **First Offense:** Three (3) Days Suspension
2. **Second Offense:** Five (5) Days Suspension
3. **Third Offense:** Ten (10) Days Out-of-School Suspension and Expulsion.

**WEAPONS**
Weapons of any type are not permissible on campus. State laws regarding weapons on campus will be strictly enforced. Please refer to I.C. 20-33-6-16. Indiana law states that possessing a knife on school property or on a school bus is a Class B misdemeanor. It becomes a Class A misdemeanor if the offender has a previous unrelated conviction, and a Class D felony if the offense results in bodily injury or serious bodily injury to another person. Possessing, handling, or transmitting a knife, or any other device that can reasonably be considered or used as a weapon, is a serious violation. A student who must use a knife as part of an organized activity held by an organization that has been approved by the principal of the school is exempt so long as the knife is used as a part of, or in accordance with, the approved organized activity.

**Disciplinary Action:**
1. **First Offense:** Ten (10) days Out-of-School Suspension and Expulsion.

*In all cases, the proper law enforcement agency will be notified.*

**STUDENT THREATS**
Threats made by students whether towards self, others or school property, can be very traumatic to students and will be taken seriously. Any student making a threat towards him/herself, other students or staff, and/or towards school property will be subject to the following protocol.

1. The student will be removed from the classroom location and escorted to the office by an adult.
2. The Principal, or designee, will conduct an investigation which will include interviewing the accused student, victim(s), and any witnesses.
3. A threat assessment will be conducted by the Social Worker and/or the Principal to determine the validity and intent of the threat.
4. Parents of the accused student, victim(s), and other students who may be involved will be contacted. Any additional needed communication will be determined based on the circumstances of the threat.
5. Consequence(s) will be assigned based on the validity of the threat. These can range from:
   a. 1 day of ACs up to expulsion for semester or school year
   b. Based on conditions, level of threat, intent, number of previous referrals, past behavior
   c. Possible mandatory home safety-check of the home (with parent consent) conducted by a Liaison Officer and/or mental health screening by a licensed therapist before returning to school (if an out-of-school suspension or expulsion is assigned)
   d. Additional meetings, conferences or counseling as needed based on circumstances of the incident

**STUDENT DUE PROCESS AND DISCIPLINE**

(b) In all matters relating to the discipline and conduct of students, school corporation personnel stand in the relationship of parents and guardians to the students of the school corporation. Therefore, school corporation personnel have the right, subject to this chapter, to take any disciplinary action necessary to promote student conduct that conforms to an orderly and effective educational system.

(c) Students must follow responsible directions of school personnel in all educational settings and refrain from disruptive behavior that interferes with the educational environment.

I.C. 20-33-8-9 Disciplinary powers of teachers and school staff members.
(a) This section applies to an individual who: (1) is a teacher or other school staff member; and (2) has students under the person’s charge.
(b) An individual may take any action that is reasonably necessary to carry out or to prevent an interference with an educational function that the person supervises.
(c) Subject to the rules of the governing body and the administrative staff, a person may remove a student for a period that does not exceed (5) school days from an educational function supervised by the person or another person who is a teacher or other school staff member.

I.C. 20-33-8-10. Disciplinary powers of principals

I.C. 20-33-8-15 Unlawful activity.
In addition to the grounds specified in section 8 of this chapter, a student may be suspended or expelled for engaging in unlawful activity on or off school grounds if:
(1) the unlawful activity may reasonably be considered to be an interference with school purposes or an educational function; or
(2) the student’s removal is necessary to restore order or protect persons on school property, including an unlawful activity during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions.

I.C. 20-33-8-18 Maximum term of suspension; procedure
(a) A principal may suspend a student for not more than ten (10) school days under section 14, 15, or 16 of this chapter. However, the student may be suspended for more than ten (10) school days under section 23 of this chapter.

(d) Following a suspension, the principal shall send a written statement to the parent of the suspended
student describing the following: (1) The student's misconduct. (2) The action taken by the principal.

I.C. 20-33-8-19 Expulsion procedures; appeals.

The decision of the governing body may be appealed only under section 15 of this chapter.
(e) A student or a student’s parent who fails to appear at an expulsion meeting after receipt of a request
to appear forfeits all rights administratively to contest and appeal the expulsion. For purposes of this

is effectively given at the time when the request or notice is delivered personally or sent by certified
mail to a student and the student’s parent.

EXTRA CURRICULAR ACTIVITIES, CLUBS, AND ATHLETICS

CLUBS, ACTIVITIES, AND ATHLETICS AVAILABLE
WMS offers a variety of clubs, activities, and athletics for students to participate in. Some activities involve a selection process or enrollment in a class. Information on the various offerings is available in the WMS office. The following is a list of co-curricular and extracurricular offerings at WMS:

CO-CURRICULAR/EXTRA-CURRICULAR ELIGIBILITY
In order to be an active participant in Middle School athletics, clubs, and school dances, students must be passing in all courses at the end of each grading period. A student failing in any class will be considered ineligible to participate until the next grade report. Ineligible students must leave the building each day at 2:30. Furthermore, students participating in practices, games, or club meetings may not remain in the building after school unless there is adult supervision by the sponsor or coach.

WESTERN JUNIOR HONOR SOCIETY
To be inducted into the National Junior Honor Society, you need between 25 and 40 points. You will earn points from the following requirements:
1. Your grade point average must be at least 3.67 in the previous school year.
2. Citizenship and character will be determined by current and former teachers. This will be on a scale of 0 to 5 (highest). You must have an average of 3.5 in both areas. You cannot be admitted into JHS if either area is below the 3.5 average. Your averages for both areas will be added together giving you between 7 and 10 points.
3. Co-Curricular Activities (in-school and community) in which you have participated in the last year will earn points. Each sport or club will be worth one point with leadership responsibilities earning an extra point. You may earn up to 10 points maximum in this area.
4. Service you have done last year will also earn one point for each activity completed. Your activities must not have resulted in any type of payment or prizes being given to you. You may earn up to 10 points maximum in this area.

The above activities make it possible to earn up to 40 points. Students who are applying for membership into WJHS must earn at least 25 points for membership. Students that have been inducted may be removed if grade and/or behavior is unacceptable.

WESTERN MIDDLE SCHOOL ATHLETIC PROGRAM
The athletic program at Western Middle School is organized with definite objectives for the community. The program provides for many varied interests for girls and boys. The sports activities for girls include basketball, cheerleading, cross-country, golf, swimming, tennis, track, soccer, softball and volleyball. The program for boys provides baseball, basketball, cross-country, football, golf, swimming, tennis, soccer, track, and wrestling. Every student has the opportunity to engage in one or more of these sport activities, but is limited to one sport per season with the exception of cheerleading.
ELIGIBILITY

1. In order to be an active participant in middle school athletics students must be passing in all courses at each grading period. A student failing in any class will be considered ineligible to participate until the grade or grades become passing at the end of the following grading period.

2. Attendance: - IN ORDER TO PARTICIPATE, A STUDENT MUST BE IN ATTENDANCE BY 9:00 AM (THIS INCLUDES PRACTICE). EXCEPTIONS MAY BE GRANTED BY THE PRINCIPAL FOR SPECIAL CIRCUMSTANCES. STUDENTS LEAVING DURING THE DAY DUE TO ILLNESS OR DISCIPLINE WILL NOT ATTEND EVENTS HELD THAT EVENING.

3. Illness-Injury: - If you are absent 5 or more consecutive school days due to an illness or injury you must present to your coach written verification from a licensed physician stating that you may participate again in both practices and games.

CONDUCT RULES FOR WESTERN MIDDLE SCHOOL ATHLETES

Parent Consent, Code of Conduct: - You must have on file with the athletic director each school year, before your first practice, a completed parent consent and disclosure form along with a drug testing permission form and a current sports physical on file. Physical form must be on file before athletes can participate in open facilities

Failure to comply with the Western School Corporation drug testing policy will result in non-participation. Furthermore, a positive test result will result in athletic suspension.

It shall be the responsibility of the coaches and administration to enforce all school rules as stated in the Student Handbook. The Principal is the person held responsible. Their decision is final in all cases. The coach in each particular sport is accountable for informing the athletes of their responsibilities. Contestants' conduct, in and out of school, shall be such as (1) not to reflect discredit upon their school, or (2) not to create a disruptive influence on the discipline, good order, moral or educational environment in the school.

THESE RULES ARE IN EFFECT 365 DAYS A YEAR!

The use, transmission, or possession of a) alcoholic beverages, b) drugs not prescribed by a licensed physician for the student’s personal use c) tobacco products; d) the arrest, and/or conviction of a felony or any misdemeanor which is derogatory to the proper conduct of an athlete; or e) stealing from any school, business, residence or student shall result in the following:

First Occurrence
Letters a and b: Suspension from 50% of the athletic contests of the sport in which the student athlete is involved, which may carry over under the provisions of section “E”, but may be reduced to 30% if the student successfully completes a drug or alcohol program at a licensed drug or alcohol center.

Letters c, d, and e: Suspension from 30% of the athletic contests of the sport in which the student athlete is involved, which may carry over under the provisions of section “E”

Second Occurrence
Letters a and b: Suspension from 100% of the athletic contests of the sport in which the athlete is involved, which may carry over under provisions of section “E”, but may be reduced to 50% if the student athlete successfully completes a drug or alcohol program at a licensed drug or alcohol center.

Letters c, d, and e: Suspension from 50% of the athletic contests of the sport in which the athlete is involved, which may carry over under the provisions of section “E”.

Third Occurrence

One calendar year suspension from athletic participation from the date of suspension.

If an athlete has had a violation of rules a, b, c, d, or e and commits a second violation of any of those rules, the second occurrence penalty will be imposed. A third violation of any rule or combination of any three rules will result in a one calendar year suspension from all sports.

B. All middle school suspensions will be based on the middle school athletic schedules.

C. Participation in practice during the period of suspension will be up to the individual coach involved.

D. If requested by the Athletic Director or Principal, athletes shall submit to a drug/alcohol test. The parents of any athlete recommended for testing will be contacted by the Athletic Director or the Principal to discuss the problem prior to any test. Failure to submit to testing will constitute a violation of Rule A.

E. An athlete’s suspension will carry over to the next sport that he/she participates in. For example: If an athlete has a 30% suspension during football and only has one game left, then 10% of this suspension will be served in football and the other 20% would be served in the next sport in which the student participates.

ANY ADDITIONAL RULES FOR AN INDIVIDUAL SPORT SEASON MUST BE SUBMITTED TO THE PRINCIPAL AND ATHLETIC DIRECTOR FOR APPROVAL BEFORE PASSING THEM OUT TO PARTICIPANTS AND PARENTS. A SIGNED COPY (BY PARENT & PARTICIPANT) WILL BE KEPT ON FILE WITH THE COACH AND ATHLETIC DIRECTOR.

INSURANCE
1. The Athletic Department or the School Corporation is not financially responsible for athletic injuries.

2. Some sort of accident protection is necessary in order for a student to participate in athletics at WMS.

3. The type of accident protection the student has must be checked and signed by the parent, and this form must be returned to the Athletic Office.

4. The school does not have accident insurance, but has a vendor that does supply it. For a form or web contact information, please contact the athletic department.
